DECLARATION

Motion to reopen

Briefly explain above the purpose of the declaration, for example, "in Opposition to Defendant's Motion for Summary Judgment."

I, Angeline Herrera, declare under penalty of perjury that the following facts are true and correct:

In the space below, describe any facts that are relevant to the motion or that respond to a court order. You may also refer to and attach any relevant documents.

I write this declaration in motion to reopen my case. This is my first time doing a Pro se. During the case, I wanted to serve the defendants. Serving the defendants was unsuccessful, their law office ignored me by not giving me the contact information of the defendants.

Because Pro Se is a new experience to me, I was unaware of pacer messages and did not see the judges orders at the time. I have moved to a different apartment only to find out about the dismissal by mail when it was forwarded from my old address.

For the past 10months I have been on maternity leave unpaid due to no child care, and has left me with financial hardship paying to refile the case.

Now with all the information, I have setup a pacer account, updated my address. I am informed and ready to start my case once reopens.

Attach additional pages and documents if necessary.
